Dear Jonathan Bernstein:

Your request was received in this office on August 18, 2020 regarding Irene Paley born March 10, 1903 in Germany. We completed our index search for entries that are responsive to your request. Below are your search results along with instructions on how to obtain copies of the records or files.

To request copies of any or all of the following records from the USCIS Genealogy Program, please follow the procedures on the Genealogy web site www.uscis.gov/genealogy for records requests. The record(s) can be made available to you for a fee of \$65 per record, depending on the format.

Identified below is an additional record relating to your immigrant.

File Series	File Number	Additional Information
C-File	C5832450	Name and Age: Mrs. Irene Paley, Age 40 Naturalization Court: Common Pleas Court at Mays Landing, NJ Naturalization Date: May 13, 1943 Other Information: Petition no. 6893

Unfortunately, this file has been determined to be missing from our record holdings. The Department requires that we exhaust our efforts to locate the file until such time as the file is found or it can be determined that the file has been destroyed or lost. We have followed proper protocol and have conducted a thorough search of our record holdings, but have been unsuccessful in locating this file. Presently, the Department is working with the records holding facility to rectify this issue through record reconciliations and auditing procedures. This process "finds" previously lost files every day, thus another Index Search in future could yield a different result.

If you should have any additional questions about your request, please direct your inquiries to this office at the above address or send them to Genealogy.USCIS@dhs.gov. Always note your case identification number on the correspondence.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel H. Edgington", with a long horizontal flourish extending to the right.
